

YUVARAJ M

Hosur | (+91) 6382131466 | yuvaraj182848@gmail.com

SUMMARY

Enthusiastic and detail-oriented B.Sc. Computer Science graduate with proven experience in full-stack web development, database management, and technical support. Skilled in developing dynamic, user-focused web applications using HTML, CSS, JavaScript, PHP, and MySQL. Adept at optimizing website performance, improving UI/UX design, and managing backend operations. Demonstrates strong analytical thinking, problem-solving, and teamwork abilities gained through academic projects and industry internships. Committed to delivering efficient, scalable, and innovative digital solutions while continuously advancing technical expertise in the IT field.

INTERNSHIP EXPERIENCE

Junior Web Developer Intern

January 2025 – February 2025

Rats Technologies | Hosur

- Designed and deployed web-based applications including an Open Elective Selection System to improve student data processing and user interaction.
- Conducted software testing, debugging, and performance optimization to enhance system reliability.
- Assisted in training sessions on Computer Fundamentals, Communication, and Personality Development for students.
- Gained exposure to project lifecycle management, including requirements gathering, UI/UX design, and deployment processes.
- Technologies Used:** Python, HTML, CSS, JavaScript and MySQL

Junior Web Developer Intern

August 2024 – September 2024

Rats Technologies | Hosur

- Designed and deployed web-based applications including an Student Feedback Analysis Management System to improve student data processing and user interaction.
- Conducted software testing, debugging, and performance optimization to enhance system reliability.
- Assisted in training sessions on Computer Fundamentals, Communication, and Personality Development for students.
- Gained exposure to project lifecycle management, including requirements gathering, UI/UX design, and deployment processes.
- Technologies Used:** Python, HTML, CSS, JavaScript, Git-hub and MySQL

Technical Support

December 2023 – January 2024

HRH Next | Bengaluru

- Troubleshoot and resolved technical queries via chat, call, and email with a focus of customer satisfaction. Provided excellent customer service, resolving issues with professionalism and courtesy.
- Maintained accurate logs and internal tools to track issues and follow up actions.

EDUCATION

Bachelor of science (Computer Science)
CHRIST COLLEGE OF SCIENCE AND MANAGEMENT, MALUR

July,2025

Higher Education
GOVT HIGHER SECONDARY SCHOOL,BAGALUR

May,2022

PROJECTS

Student Feedback Analysis Management System **January 2025 - February 2025**

- Developed and designed dynamic websites using HTML, CSS, JavaScript, PHP, and MySQL. Gained hands-on experience with front-end and back end development improving website functionality and user interface.
- Skills used - HTML,CSS,PHP, JavaScript, and MySQL,

Open Elective Real-time Project **August 2024 - September 2024**

- Worked on an Open Elective Real-Time Project focusing on web development and design. Worked on database management using MySQL, optimizing queries for faster performance.
- Developed and designed dynamic websites using HTML, CSS, JavaScript, PHP and MySQL.
- Skills used - HTML,CSS,PHP, JavaScript, and MySQL.

Learning Hub **August 2024 - December 2024**

- Learning Hub is a front-end web project designed using HTML and CSS to provide a clean, structured platform for students to access educational content.
- The goal of this project is to create a simple, responsive, and user-friendly interface where learners can explore courses, read lessons, and navigate resources easily. Skills used - HTML,CSS

Mobile Shop Management System **March 2024 - April 2024**

- Developed a Mobile Shop Management System to streamline daily operations such as inventory tracking, billing, customer management, and sales reporting.
- It provides role-based access for admins and staff, ensuring data security and operational efficiency.

SKILLS

- Team Work • Project Management • Logical Reasoning • Data Interpretation • Web Development • Database Management • Python Programming • Quality Control & Commitment • Strategic Planning • Software testing • Front-End Frameworks • Artificial Intelligence

CERTIFICATION

- Accenture EV Training • Customer Engagement and Process Control • Communication and Personality Development • HTML5 and CSS3 • Introduction to UI/UX • Full Stack Web Development • Git and GitHub • Artificial Intelligence and Machine Learning

LANGUAGES

- English • Tamil • Kannada • Telugu
